SUMMARY

Software engineer proficient in various programming languages, development frameworks, and software engineering principles. Known for in depth understanding, problem-solving abilities, and leadership skills.
Seeking to contribute to innovative projects and collaborate with a dynamic team to make an impact.

PROFESSIONAL EXPERIENCE

AppPerfect Corp, Udaipur

October 2023 - Present

- **Project/Role: Software Engineer**

- Developed data pipelines using **Python** and **Spark SQL** to fetch data from multiple sources, creating bronze, silver, and gold tables for data structuring.
- **Optimized** Plotly Dash dashboards by **refactoring** logic, **reducing** redundant callbacks, and improving SQL queries to enhance performance by **30%**.
- Integrated **Dash** SDK with **Next.js** for seamless **embedding** of dashboards, adding **JWT authentication** with RBAC for secure access.
- Designed & developed a **reusable** styled UI library to improve dashboard consistency and efficiency.
- Built internal tools for viewer analytics & performance **monitoring** using **Grafana** and **Prometheus**.
- **Tech Stack:** Python Dash, Python Plotly, Spark SQL, Databricks, React.js, Next.js, Node.js.

Metablock Technologies, Jaipur

July 2023 - September 2023

- **Project/Role: Software Developer**

- **Led** a team of 5 developers to create projects in MERN Stack.
- Implemented **REST APIs** for various projects in 2 months. Eg: Auth- Phone/Email OTP, FileUpload using S3. Crypto Payment Integration, deployment on **AWS** Elastic Beanstalk, and Domain Management.
- Used **transactions and locks** in a project to avoid write-write problems for a schema. **Increased company revenue** by **20%** with my programming and team **leadership** skills.
- **Successfully** delivered two projects within 3 months, ensuring minimal bugs and maintaining high team morale through effective **collaboration** and leadership.
- **Tech Stack:** React.js, Next.js, Material UI, Next.js, SQL, AWS

Newton School, Bangalore

March 2023 - July 2023

- **Project/Role: Front End Intern**

- Collaborated with the front-end team to deliver high-quality solutions on the company's platform ensuring **100%** KPIs over the complete duration.
- Utilized Next.js, React.js, JavaScript, HTML, and CSS to develop engaging and interactive questions.
- Employed Cypress to conduct comprehensive testing of React applications.
- **Tech Stack:** React.js, Next.js, Cypress.

ACHIEVEMENTS/CO-CURRICULAR/EXTRACURRICULAR

- **CodeForces: Specialist** | [Highest Rank 983](#) WorldWide in CF Div 2 Round | [Profile Link](#)
- **Smart India Hackathon** - Team **Rank 1** in college out of 100+ teams
- **CodeChef** - 4 Star | Highest Rank - **99** in Div 3, **1017** in Div 2 | [Profile Link](#)
- Solved **1000+** DSA problems on [CodeForces](#), [CodeChef](#), [GeeksForGeeks](#), [Interviewbit](#)

ACADEMIC QUALIFICATION

- **BTech (Hons) in Computer Science and Engineering**

Swami Keshvanand Institute of Technology, Jaipur, Rajasthan, India

CGPA: 8.9/10.0

August 2020 - June 2024

- **XII Science**

Jayshree Periwal High School, Jaipur, Rajasthan, India

Percentage: 72%

March 2019 - March 2020

PROJECTS

Title: NEET/PG Preparation App, Cortex Academy

Team Size: 2

Role: Team Lead, React Native & Backend Developer

Summary/Description:

- A **secure backend** with Google and Apple sign-ins using token-based authentication in Django.
- Quiz functionality with time control, live feedback and scores for optimal preparation
- **Caching** on Frontend and Backend for lowest response times and fast loading.
- Progress **analytics** to track user metrics like first/latest attempts and daily performance.
- Designed targeted revision sections ("Pearls") and implemented light/dark themes for user **accessibility**.
- **Tech Stack:** Python Django, Typescript, ReactNative, Expo

Title: PartyPal App

Team Size: 3

Role: Backend Developer

Summary/Description:

- **Scalable** backend with **147+** endpoints and a **robust** database of **61** schemas, powering a dynamic social media and club/vendor booking platform.
- Multi-factor **authentication** (Phone/Email, Google Auth via Firebase), push notifications, and integrations with Spotify and Instagram, enhancing user engagement and **seamless** experience.
- Integrated payment processing, **role-based access control**, a personalized user recommendation system, and ticket/pass management, supporting secure transactions and personalized interactions for **1000+** users.
- **Tech Stack:** AWS, Node.js, Sequelize ORM, Firebase

Title: Online Code Assessment Platform

Team Size: 1

Role: Individual

Summary/Description:

- **Robust** Admin Panel to schedule exams, rich online text editor to create questions and test cases.
- **Zero client dependency** for code execution, test case judgement and grading. Scalable Code Judge using Judge0 (open source platform).
- Multi-Language Support and Local sync to **prevent loss of test data** on refresh or connection failure.
- Supported instant **feedback** on custom test cases, making **testing efficient** and accessible.
- Implemented **version control** for tests, enabling teachers to track and manage changes.
- **Tech Stack:** Next.js, Prisma, Fastify, Docker, PostgreSQL, TypeScript

TECHNICAL SKILLS

- **Languages:** Python, Java, C++, Javascript
- **Frameworks:** Dash Enterprise, Django, FastAPI, NextJS, ReactJS, React Native, NodeJS.
- **Databases:** Databricks, Postgres, Spark SQL, MySQL, MongoDB.
- **Tools/Cloud:** Git, AWS, Docker, Code Pipelines, Azure, GCP, S3, SES, EC2, RDS
- **CS Fundamentals:** OOPs, Computer Networks, Operating System, Database Management

CERTIFICATIONS/WORKSHOPS/ADDITIONAL COURSES:

- Problem Solving through Programming in C - College Topper, NPTEL [IIT Kharagpur]
- Introduction To Programming In C - College Topper, NPTEL [IIT Kanpur]
- Programming in Modern C++, NPTEL [IIT Kharagpur]
- Soft skills, NPTEL [IIT Roorkee]

LEADERSHIP ROLES

- Served as **Coordinator** for the Science & Technology Club at SKIT for two consecutive years, **leading** a team of over 20 students in organizing various events, bootcamps & workshops for more than 700 participants.
- **Led** the Social Media and Prize Distribution Committees, each comprising over **15** members, at the Pravah Cultural Fest, SKIT. **Coordinated** with various teams, including photography and hospitality.
